2.6 Innovative processes adopted by the institution in Teaching and Learning

In general, the lecture method is widely in our college, classes with ppts are also practiced in common.

Apart from that, the following methods are commonly used

- IQAC ensures the classes with ppt in order to ensure the learnablity of the students
- Each department has its own smart classrooms with adequate facility
- Teaching – learning materials are distributed to all the students.
- Industrial visits, Intermship and In-plant training are provided to understand the academic programmes.
- Case study based learning is adopted.
- Special Tutorials for slow learner students
- I UG BA English is undergone streaming system.

I year UG BA students are classified into three streams according to their leanablity and need. Stream A, B and C will have separate textbooks on foundation English, and teaching methodology will be different according to their needs. And stream B will be common to all disciplines. Foundation English textbook is prepared by the department. The streaming has horizontal and vertical mobility i.e., a students in stream A can move to anyone of the streaming as per learnablity at any semester.

Criterion – VI

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision

    Class a centre potential of excellence in women s education through creative and innovative practices to secure social equity for women.

Mission

- ➢ To provide sufficient infrastructure to the students to pursue their studies
- ➢ To provide good opportunity for higher education and conducive environment to the students to acquire education
- ➢ To provide quality academic programmes, training activities and research facilities
- ➢ To facilitate industry – institution interaction

6.2 Does the Institution has a management Information System

Yes, we have unique information system that focuses on efficient and effective strategic in decision making.

1. We follow hierarchy system in information passing and decision making. The policy document will help us in this strategy. Regular meetings and circulars help in information passing from one point to another.
2. The governing body of the college will monitor all college functioning at the regular meeting apart from that, the reports of the college activities are sent to the management now and then. The modification or suggestions will be given accordingly from the management.
3. As we are one among the institutions under the same management the decision support system is also followed. The discussions on the problematic matters are immediately discussed with other college principals. Thus, the management information system is more effective.
4. The management wants the feedback or suggestions from the students also, the regular class representative meetings are being arranged and apart from that suggestion boxes are also placed in the campus.
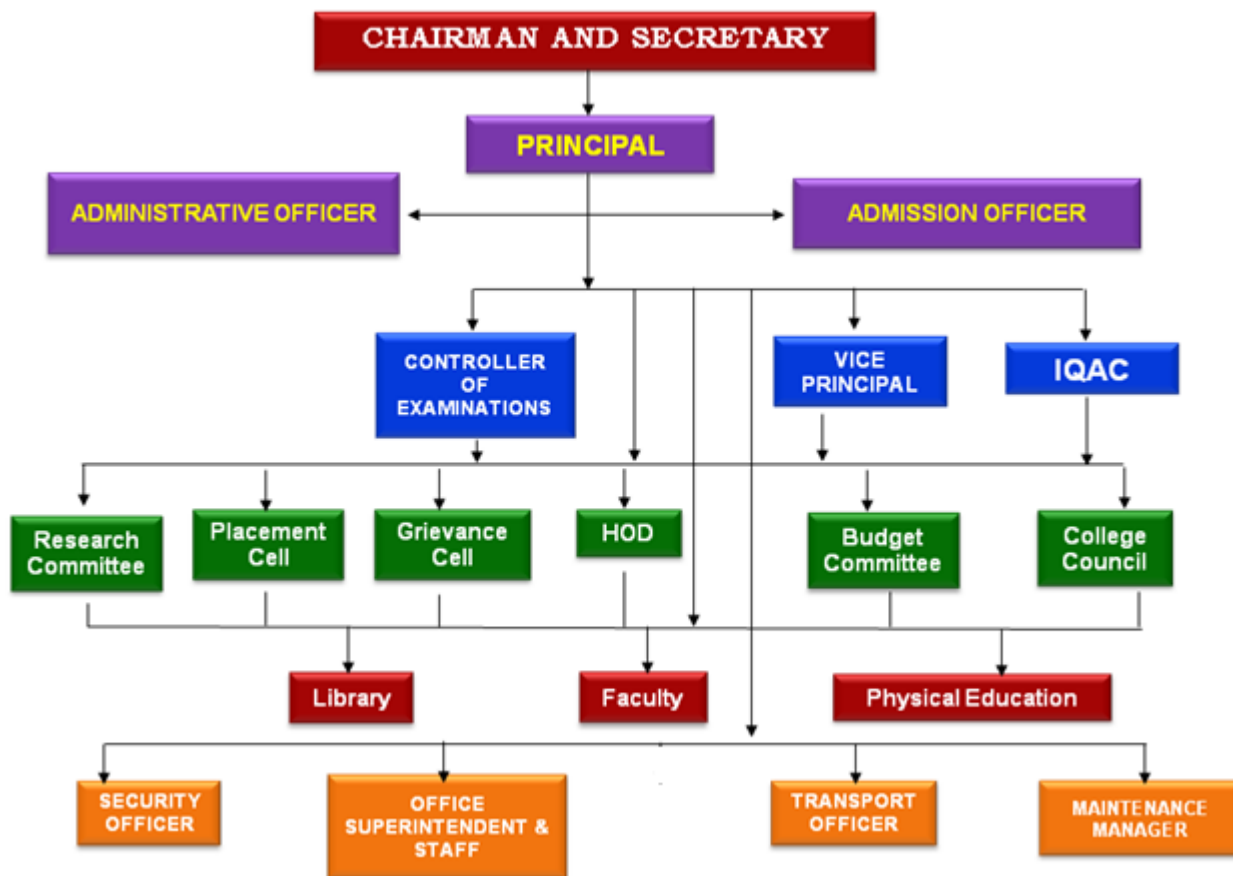

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

1. Academic Advisory Committee has been set up for each department and NAAC Mentor team recommendations are also taken into part of the discussion

2. The feedback on curriculum is discussed in Advisory committee.

3. The syllabi were on discussion to modify.

4. Department Curriculum Committee discuss the points along with the feedback and then the content for the syllabus will be framed

5. After the content is framed, it will be passed in the BOS of the Department and got approved by Academic Council of the College.

6.3.2 Teaching and Learning

- Teaching quality is assured thorough the feedback from the students and consolidated by the HODs and consolidated forms and recommendations will be discussed in IQAC meetings and IQAC steering committee meetings and the same will be presented in the principal's meeting.

- Teacher quality is assured through their self appraisals and motivated to do more research

- Using ICT is enhanced, to ensure it, copy of PPT is received by IQAC

- The new curriculum design integrates the industrial verticals with the academic learning system. The education technology offered by the institution offer far more stimulation and exciting education platform in higher education.

- The micro level teaching in the institution narrows down the gap between slow learners and fast learners.

- Streaming is one of the excellent ideas that helps the students to learn what they want and what they can. It is not giving easy to in learning but different methodology; different teaching techniques; different teaching materials can be used to face the learnablity of the students. The horizontal and vertical mobility in streaming makes the students more confident that would be one of the major aim of education that we provide.

- Text book preparation is one of the academic excellences. Textbooks for Foundation English have been produced by the department of English and this was noted by the UGC committee. In Department of Commerce, printed learning materials were distributed.

6.3.3 Examination and Evaluation

- The academic calendar will include all the dates pertaining to the examinations and other assessments.

- Grievances at examinations are taken care seriously and so for only two are registered and they are certified and it is assured the date of result is within 30 days of the last day of the examination.

- The College publishes all its results on the College official website as soon as the results are declared. The results are published along with results analysis. Therefore a student by himself / herself or their parents can judge the calibre level. A hard copy is also prominently displayed on the Notice Board for the convenience of the students.
- Transparency is followed in UG level and in PG, double valuation method is followed.
- CIA is regularly checked by COE and copy of the report will be maintained by IQAC
- CIA – 1 in the foundation English is based on oral examination to ensure the listening and speaking skills of the students.
- One of the major reforms inculcated and duly adopted by the college is to conduct departmental review meetings to debate on the curricular aspects and to animate the student centric syllabus. The institution has voluntarily adopted two important.

6.3.4 Research and Development

- Scholars Forum is formed and the students have a platform to discuss their research finding and problems among themselves
- M.Phil Scholars are advised to publish their research articles
- All M.Phil Scholars will undergo two internal reviews before their submission of their dissertations and they are advised to publish at least two articles and also promote them to participate as many as seminars and conferences and workshops during their academic duration.
- More workshops and training programmes are conduced to improve research activities in the college

6.3.5 Library, ICT and physical infrastructure / instrumentation

The library purchased and added 2966 books to the collection.

The library subscribed 163 print journals and magazines. We have one of the memberships of N-List also, N-List – National Library and Information Service for scholarly content" being jointly executed by the UGCINFONET 2.0 Digital Library Consortium.

It provides the widest range of online resource with free of cost. We can read and unlimited free download from N-List package.

We have added another one best online resource like DELNET, this package is covered all subjects and available adequate resource for our research scholars and SAGE online Management journals\ database. It is very useful for research scholars.

A digital library is a collection of documents in organized electronic form, available on the Internet or on CD-ROM (compact-disk read-only memory) disks. Depending on the specific library, a user may be able to access magazine articles, E-Books, and E-Journals.

Our VICAS Library offered three mega online databases like DELNET, N-List, and also subscribed SAGE online journals.

These databases provide listed below of e-books and e-journals for research purpose.

At present VICAS library having 22 PCs for main library and 21 PCs in commerce library are regularly used by 156-250 students per day averagely.

2016-17 Academic year Budget Approved for Books Rs. 14, 12,381 Current Academic year 2,966 books were purchased Journals Budget Approved for 2016 – 17 Rs. 5, 00,000 Totally current academic year we have spent 9, 41,758.58.

For collection development Generally speaking, the 2016-2017 academic year of a flat operating budget had a positive impact on the library's collections. Every year all HOD's are representing their annual budget to management based on library requirement.

Institutional Repositories (IRs) are a development in managing digital objects for effective utilization. 5.Campus Placement details

The result of the education will be marked by how many students have achieved in placements. This year we can proudly say "we have 1208 students got appointment in various MNCs with attractive pay scale.

1. Students attended Placement Training Programs   1200
2. Number of students placed in Campus Interview   1087

6.Students' Participation in Extra- curricular and co-curricular activities

Generally it will be stated that for any academic program, students' participation is moist but recognition for it is more important to motivate them.

1. Students Participation in extracurricular activities   754
2. Students Participation in Seminar/Workshops/Conference   3102

CONTRIBUTING TO SOCIAL DEVELOPMENT

Last not but least, every institution must have a social responsibility, we are doing any business here, we prove all our activities are social responsible directly or indirectly, but I am presenting here our direct activity that how our students take impart in social activities.

1. NSS Camp activities   59
2. Vivekanandha Out Reach Programs (Extension Activities)   23

PUBLICATION

Normally teacher quality is marked by their publications. So far, our faculty members have been published 166 papers in peer reviewed journals and they have presented papers in various national and international seminars, conferences and workshops. NCBI and Scopus entry is raised up to 169 papers from our college. We have moved to ensure the teaching quality, our log book system and self appraisal system were slightly changed. By this way we ensure the academic excellence in the our college. Our college is normally marked for excellent academic activity. So far we have conducted 3 international conferences, 5 national conferences, 2 FDPs 12 national workshops for the benefits of the students.

INNOVATION PRACTICE

BEST PRACTICE I

TITLE OF THE PRACTICE :

Streaming in English Department

OBJECTIVE OF THE PRACTICE

1. To fulfil the local need of the students
2. To improve the learning ability among the students
3. To maintain the teaching and learning diversity in the classrooms

THE CONTENT

To fulfil the local need of the students and to enhance their learning ability, the students were undergone streaming according to their department entrance marks. The Teaching methodology and text books for foundation English are difference with out any compromising the quality of teaching and learning outcome

EVIDENCE OF THE SUCCESS

The streaming gives a good result in the result and the students feel so comfortable in the classrooms and learning ability improved. The results in the core papers are highly improved. The pass percentage is highly improved.

It is the hallmark of a department that has produced a book for foundation English for all UG first year students, in this academic year 2016-17. With due respect to the Board of Studies' recommendation and suggestion further the effect of streaming systems, the department has planned to produce some own book for the sake of students.

By all means of plan, book/material has mainly two classification i.e. odd and even semesters. According to the ability of students, material production team has planned to put forth two books: beginning and intermediate. In future (even semester), student benefits by a advanced book. Main part of this book is almost finished.

BEST PRACTICE – II

TITLE OF THE PROGRAMME

Adopt A Friend for English (*AFFE*)

OBJECTIVE OF THE PROGRAMME

1.To improve spoken skill among the hostel students

2.To give a platform to the students to share their ideas and skills in english

3.To develop englsih speaking campus.

CONTENT

"AFFE" is the short form of **Adopt A Friend for English.** It is considered that another milestone of the department. The program AFFE, makes the whole institution into English ambience. The prime aim or Motto of the program is making the learners to speak/interact/communicate fluently in English.

AFFE launches in the beginning of present academic year. In the beginning, it has six levels. They are named as Stage I, II, III, IV, V, and VI respectively. In Stage I, all the willing students (UG & PG) are enrolled. It is not restricted to any discipline. Stage II leads the members of group/ friends to communicate in English alone.

Stage III opens a room to select/ adopt a friend or group. They are considered as primary members, when they feel confident to speak in English at Stage IV. In Stage V, they all are staring with "ambassadors" of making English ambience in the whole campus. In the last stage of Stage VI, members are permitted to interact (recommend) with head of the institution about the sustainability of the program.

EVIDENCE OF THE SUCCESS

For the past one year it was scuccss full program and it is completely volunteer programme. The students are coming and participating in the programme without fail. They made the programme to move into next level.
