

YEARLY STATUS REPORT - 2021-2022

Part A	
Data of the Institution	
1.Name of the Institution	VIVEKANANDHA COLLEGE OF ARTS AND SCIENCES FOR WOMEN(AUTONOMOUS)
• Name of the Head of the institution	Dr .P.BABY SHAKILA
• Designation	PRINCIPAL
• Does the institution function from its own campus?	Yes
• Phone No. of the Principal	9443316500
• Alternate phone No.	04288234242
• Mobile No. (Principal)	9865943665
• Registered e-mail ID (Principal)	vicasprincipal@gmail.com
• Address	ELAYAMPALAYAM
• City/Town	TIRUCHENGODE
• State/UT	TAMIL NADU
• Pin Code	637205
2.Institutional status	
• Autonomous Status (Provide the date of conferment of Autonomy)	04/02/2011
• Type of Institution	Women
• Location	Rural

• Financial Status	Self-financing
• Name of the IQAC Co-ordinator/Director	Dr .M. PRASATH
• Phone No.	04288234242
• Mobile No:	8248650856
• IQAC e-mail ID	iqac@vicas.org
3.Website address (Web link of the AQAR (Previous Academic Year)	https://vicas.org/iqac/AQAR%202020-21.pdf
4.Was the Academic Calendar prepared for that year?	Yes
• if yes, whether it is uploaded in the Institutional website Web link:	https://vicas.org/calender/2021-2022.pdf

5.Accreditation Details

Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	B	2.53	2009	15/06/2009	14/06/2014
Cycle 2	A	3.01	2015	25/06/2015	24/06/2020
Cycle 3	A+	3.31	2023	11/04/2023	10/04/2028

6.Date of Establishment of IQAC

11/06/2009

7.Provide the list of Special Status conferred by Central and/or State Government on the Institution/Department/Faculty/School (UGC/CSIR/DST/DBT/ICMR/TEQIP/World Bank/CPE of UGC, etc.)?

Institution/ Department/Faculty/School	Scheme	Funding Agency	Year of Award with Duration	Amount
Vivekanandha College of Arts and Sciences for Women (Autonomous)	FIST	DST	19/12/2022	57,00,000

8.Provide details regarding the composition of the IQAC:

<ul style="list-style-type: none"> • Upload the latest notification regarding the composition of the IQAC by the HEI 	View File	
9.No. of IQAC meetings held during the year	4	
<ul style="list-style-type: none"> • Were the minutes of IQAC meeting(s) and compliance to the decisions taken uploaded on the institutional website? 	Yes	
<ul style="list-style-type: none"> • If No, please upload the minutes of the meeting(s) and Action Taken Report 	No File Uploaded	
10.Did IQAC receive funding from any funding agency to support its activities during the year?	No	
<ul style="list-style-type: none"> • If yes, mention the amount 		
11.Significant contributions made by IQAC during the current year (maximum five bullets)		
NAAC 3rd Cycle Accreditation and Assessment -SSR Preparation & Submission		
ISO 9001:2015 - Certification		
Green Audit, Environment Audit, and Energy Audit- Conducted		
NIRF- Participation		
Feedback collected, analyzed and action taken		
12.Plan of action chalked out by IQAC at the beginning of the academic year towards quality enhancement and the outcome achieved by the end of the academic year:		

Plan of Action	Achievements/Outcomes
Promoting of Research activities by providing seed money and research incentives	37 Research articles in Journals, 33Books/ Books Chapters published and 08 Research grants received.by teachers
Organizing Students Induction Programme for Freshers	The Students Induction Programme helped new students acclamate with the new surroundings, develop bond with fellow students and teachers, sensitivity towards various issues of social relevance and imbibe human values.
E-content Development	E-contents were developed by Faculty members and were Uploaded in LMS
Energy, Environment and Green Audit	Energy, Environment and Green Audits are conducted
Preparation of AQAR, NIRF and AISHE reports	Participated in NIRF and Uploaded Data and Data submitted to AISHE and AQAR
Collection of Online Feedback from Stakeholders	Online Feedback is collected for Curriculum and Infrastructure to get useful insights for the purpose of improvement in all aspects the requirements of students.
13.Was the AQAR placed before the statutory body?	Yes
<ul style="list-style-type: none"> Name of the statutory body 	
Name of the statutory body	Date of meeting(s)
Governing Body	23/01/2023
14.Was the institutional data submitted to AISHE ?	Yes

- Year

Year	Date of Submission
2021-22	14/02/2023

15.Multidisciplinary / interdisciplinary

The Institution has already implemented CBCS system whereas students have the option to choose subjects as electives from other disciplines. Value added courses can be opted by the students across disciplines. Vivekanandha Educational Campus has a number of HEIs which include Engineering and Medicine. Hence, the college proposes to introduce multi-disciplinary programmes in the curriculum.

16.Academic bank of credits (ABC):

The Institution is taking earnest steps in enrolling itself in National Academic Depository (NAD). It has opened its account in Digilocker system with CBCS already in existence there is flexibility in the system. Institution is awaiting the directions of parent University for credit transfer policy and ABC guidelines.

17.Skill development:

The best practice of the institution is to ensure all the students get not only a mere academic degree but also the skill sets required for enhanced livelihood options. Skill Development courses are offered with course contents, duly approved by the Board of Studies and Academic Council. The college is in the process of implementing NEP as per the directions of the parent university. This practice will ensure employability or entrepreneurship.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The institution is located in a rural environment which aims to provide higher education to rural women students. As a practice, the institution conducts bridge courses at the beginning of every academic year to enhance students' communicative skills. The institution also adopts bilingual teaching as and when necessary. In addition, the college offers Hindi, Malayalam and foreign languages. Every effort is taken by the institution to appraise the students on Indian culture, heritage, tradition and civilization. The institution constantly encourages the students to undertake online courses in authorized online platforms such as NPTEL, SWAYAM,

Coursera, etc., based on the students' interest. More focus will be given to online courses in diverse platforms while adopting NEP. The college adopts inclusive approach and has zero tolerance on discrimination on the basis of language, caste and religion.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The institution follows Outcome Based Education from the Academic Year 2018-2019. To train the faculty members about OBE, Faculty Development Programmes and Hands-on Training programmes are being conducted by IQAC. The faculty members are given clear orientation about Bloom's Taxonomy and the various knowledge levels of the OBE pattern. Exclusive software for OBE pattern is being developed by the in-house Software Development Cell. The Question papers are as per the Revised Blooms Taxonomy and attainment calculation is made as per the approved rubrics.

20.Distance education/online education:

The institution takes pride in offering a blended mode of Teaching-Learning to the students. The institution has an exclusive Zoom platform and G suite in which online classes, Webinars, and Conferences are conducted. Teachers are well-trained to handle classes on various Online Teaching Platforms. Every faculty maintains his/her own Google Classroom link in which e-notes, e-materials, and worksheets are posted for access by the students whenever they need them. The institutional library has access to many e journals and has an updated Autolib 4.0. It also has access to DELNET, Inflibnet, and N-List, which facilitates the remote access of Journals and Books. Our institution has an exclusive Learning Management System which has an extensive collection of e-books and video lectures to facilitate Online Learning. An exclusive media center facilitates the development of e-contents by the faculty and is posted in the institutional website for ready-to-access by the students. The college has an approved learning study center of IGNOU, Tamil Nadu Open University and other state Universities to offer Diploma and PG Diploma programs in multiple streams to enhance career opportunities of students.

Part B

CURRICULAR ASPECTS

1.1 - Curriculum Design and Development

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which are reflected in Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the various Programmes offered by the Institution.

The College offers traditional programmes in Life Sciences, Mathematical Sciences, Social Sciences, Commerce, Languages, and Management. The city of Namakkal is famous for Egg production, poultry farming, Sugar mill, Paper mill, Tex valley, Handlooms, Jaggery and its allied products to mention a few. To address these local requirements, the programmes have courses on Nutrition & Dietetics, Textile and Fashion Design, Costume design and Fashion,

Commerce, Business Administrations and Computer Science. The western region of Tamil Nadu, where the College is situated, has a cluster of industries in textiles, agricultural products, leather industry, paper industry, ICT, pharmaceuticals and food products development. Courses relevant to the said industries are integrated into the curricula. There are needs that extend beyond geographical boundaries. To address such global needs, programmes have courses on Environmental Sustainability, Digital Marketing, e-Commerce, Machine Learning, Internet of Things, Climate Change and Biodiversity. These courses, that focus on worldwide requirements, are included in the programmes of Environmental Science, Botany, Chemistry, Computer Science, Commerce, Management Studies, Applied Microbiology, Global Business Management, and Human Resource Management.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates cross-cutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability, and Human Values into the curriculum

Professional Ethics:The College views ethical practices in all

spheres, as a means to imbibe social, cultural and personal responsibilities. The Curriculum also subsumes professional ethics directly in electives and core theory of many programmes, namely Nutrition, Dietetics, Commerce, Business Administration, Psychology. Gender Issues: Gender equity and sensitization are ensured through theory papers included in various programmes. The Department of Political science offers a course on 'Women Empowerment' for all second-year undergraduate students. The Department of History also offers a course titled 'Women Empowerment' for all the college students. Human Values: The human values emphasized in the Constitution of India are inculcated through an inclusive and exclusive approach. The Human Rights course is a compulsory component of all PG programmes according to the UGC guidelines. This course includes teachings on the Right to Education, National and State Human Rights Commission, fundamental duties, remedial measures and social values. In addition, Programmes of Social Sciences, Professional Studies, and Language Studies offer courses like Personality Development, Soft Skills and Social Welfare Economics. Environment and Sustainability: To increase awareness among the young community and to ensure the development and utilization of resources judiciously, the college promotes courses like Environmental Ethics and Energy Conservation and Environmental Sciences.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners.

Assessing the learning levels of the students: Students who are enrolled with different academic socio-economic backgrounds, skills and abilities, learning styles, needs, and interests, medium of instruction etc., are assessed initially at various stages through Induction Programme, Bridge Course and Continuous Internal Assessment (CIA) like tests, class assignments, practical, composition, and oral presentations as per the policy.

Opportunities for Advanced Learners:

1. Advanced learners are motivated to interact with subject experts visiting the institution for conducting a Ph.D. Viva- Voce to enrich their knowledge.

2. Additional books are given through the library for advanced learners.

3. Open houses and Science Expos showcase their talents and encourage them.

4. Short-term courses offered by all the departments enable advanced learners to acquire additional skills in the related areas.

5. Motivation is given to enroll in online courses like Alison Solo Learn, SWAYAM, NPTEL, etc.

Helping Slow Learners

1. Remedial classes are conducted.

2. Periodic monitoring of their progress is done through Mentor Mentee scheme.

3. Hand-outs and other learning materials are distributed to the weaker students.

4. Peer learning through seminars, conferences, workshops and guest Lectures, special remedial classes, slip tests, and supplementary homework help to gain better understanding.

5. Tutorials from introductory online courses are offered to strengthen their learning experience.

2.3 - Teaching- Learning Process

2.3.1 - Student-centric methods such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences:

Experiential Learning:

Theory courses supplemented with practical sessions facilitate students to understand the theoretical concepts in a better way. Illustrations and demonstrations take students beyond classrooms to foster in them critical thinking and problem-solving abilities. Working models, PowerPoint slides, specimens, and charts enhance their interpretation capabilities. Industrial and field visits bridge the gap between theoretical learning and practical training. Virtual laboratories provide a rich learning experience through graphical representations of advanced and modern equipments housed in Instrumentation Centre through Certificate courses.

Participative Learning:

Seminars, guest lectures, workshops, conferences, and alumnae interactions provide varied learning experiences to the students. Students' participation in Science Exhibitions, Science popularization programmes, surveys, inter-collegiate competitions, cultural events, District/State/National & International level sports and games inculcate entrepreneurial skills, scientific temper, creativity, collaborative ability, and responsibility.

Problem-solving Methodologies:

Project-based learning and internships help students develop problem-solving skills, make them industry ready and employable. Group Projects facilitate sharing of knowledge and enhance their critical thinking, thereby widening the research scope that proves beneficial to society.

Link for additional Information	https://vicas.org/AQAR21-22/CII/2.3.4/2.3.1L.pdf

2.3.2 - Teachers use ICT-enabled tools including online resources for effective teaching and learning

The college effectively uses Information and Communication Technology (ICT) tools for effective teaching and learning. All the faculty members use ICT tools to explain the concepts with visual examples. The College campus is Wi-Fi enabled campus. Regular Orientation programmes for the faculty members are given to handle the ICT tools effectively. The Learning Management System (LMS) has been implemented in the college, and the students are accessing the lectures materials and videos online. G Suite is exclusively purchased to conduct online classes and official communications. The following are some of the ICT tools used by the faculty members for innovative teaching:

1. Dedicated LMS facility

2. Google Classroom,

3. YouTube

4. NPTEL - SWAYAM

5. Power-Point Presentations

6. Recorded Video Lectures

7. DELNET

8. N-List

9. ShodhSindhu, ShodhGanga

These ICT tools are used to teach the topics lucidly with the help of visual examples. The latest topics are also handled online with the help of ICT tools. Online tests are conducted through Google forms, and the score sheets are made ready as soon as the exams are over. The students are given orientation to submit the

assignments through the LMS and the Google classroom tools.

2.3.4 - Preparation and adherence to Academic Calendar and Teaching Plans by the institution

Every department of the college plans activities for the subsequent year and presents their proposed plan to a committee consisting of the Principal, Vice Principal, Controller of Examinations. A Bottom-Up approach is adopted regarding the planned academic activities. The academic calendar is prepared every year during the month of May, to decide the schedule for academic activities and extra-curricular activities for the Odd and Even semesters. Academic calendars are issued to all the faculty and the students to cope-up with the schedule mentioned in the academic calendar. It is uploaded on the college website also. The Academic calendar contains the following details:

- Re-opening of UG & PG classes
- Inauguration of First year UG & PG classes
- Day orders
- Syllabus Completion

- Commencement of Continuous Internal Assessment Tests
- Submission of CIA marks
- Induction programmes
- Cultural Programmes
- Important National & International days
- Festivals and holidays
- Sports day
- Annual day
- Commencement of Practical Examinations
- Payment of fees
- Registration for End semester Examinations
- Issue of hall tickets
- Last working day of the semester
- Commencement of End semester
- examinations Central paper valuation & Results declaration
- Supplementary exam registration

2.5.3 - IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution

The Examination cell of the college is automated with exceptionally reliable in-house software. COXCO software has been implemented in 2015 to expedite the examination processes. Following are the procedures which have been automated:

Registration for Examinations: The details of the admitted students are stored in the database, and the registered students report is generated. Details such as Students' names, examination register number, year of study, semester, and details of subjects can be generated.

Examination Schedule: Continuous Internal Assessments, Model Examinations, and End semester examination schedules are prepared and are communicated through e-mail to the students and faculty members.

Issue of Hall tickets: The eligible students can download their hall tickets from the college website using their Register numbers.

Examination Marks entry: All the Internal and end-semester

examinations marks are entered in the database and can be used later for results publication.

Results analysis: End-semester marks of all the students are generated and analysed.

Results Publication: The results are generated and published on the college website. The students can view and download their results using their registration numbers.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme Outcomes and Course Outcomes for all Programmes offered by the institution are stated and displayed on the website and communicated to teachers and students

The institution clearly states and displays the Programme Outcomes (POs) and Course Outcomes (COs) for all its programmes on its website. These outcomes are also communicated to both teachers and students. The Programme Outcomes (POs) describe the knowledge, skills, and attitudes that students should possess upon completing the programme, while the Course Outcomes outline the specific learning objectives for each course. The Course Outcome (POs) elaborates on the content of the course and the competencies a learner would acquire after successful completion of the course.

The learner outcomes are described with the Course Outcomes. Whenever the curriculum is amended, and depending on the course content, the course outcomes are revisited and revised after discussion with members of the Board of studies and tabled in the Academic council and governing body meeting for their approval. By providing clear and transparent outcome statements, the institution promotes learning accountability and ensures that students and teachers are aware of the expected outcomes of their education. The information on PSOs and COs helps students to make a choice on the course that he or she would like to pursue.

File Description	Documents
Upload COs for all courses (exemplars from the Glossary)	View File
Upload any additional information	View File
Link for additional Information	https://vicas.org/AQAR21-22/CI/1.1.1/POPSO.pdf

2.6.2 - Attainment of Programme Outcomes and Course Outcomes as evaluated by the institution

Method of measuring attainment of POs, PSOs and COs and the level of attainment of POs, PSOs and COs.

The Programme Outcomes (POs), Programme Specific Outcomes (PSOs), and Course Outcomes (COs) are coined and communicated to all stakeholders. The faculty members map the Programme Outcomes, Programme Specific Outcomes, and Course Outcomes and indicate the level of correlation as Strong, Medium, or low.

The following are the testing tools of measuring the outcomes:

1. Continuous Internal Assessment Tests and End-semester examinations

2. Quiz, Assignments, Seminars and Case studies

3. Dissertation, Project Viva-voce,

4. Group Discussions

5. Practical examinations.

The Internal and End-semester examination question papers are prepared using the knowledge levels based on Blooms taxonomy. The following knowledge levels are used to prepare the question paper: Remembering, Understanding, Applying, Analysing, Evaluating, and Creating.

Programme Outcome Attainment :

PO/PEO/Student learning outcomes describe what students are expected to know and what they will be able to do by the time they graduate. These outcomes relate to the skills, knowledge and

attitude of the students acquire as they progress through the programme. Based on the performance in the examinations, the CO and PO attainment for each course is calculated. Attainment of PO is calculated by Direct and Indirect methods.

2.7 - Student Satisfaction Survey

2.7.1 - Student Satisfaction Survey (SSS) on overall institutional performance (Institution may design its own questionnaire). Results and details need to be provided as a weblink

<https://vicas.org/Survey.php>

RESEARCH, INNOVATIONS AND EXTENSION

3.1 - Promotion of Research and Facilities

3.1.1 - The institution's research facilities are frequently updated and there is a well-defined policy for promotion of research which is uploaded on the institutional website and implemented

The Research Policy for promotion of research which is uploaded on the institutional website and implemented

The Research Policy of the college focuses on:

- Promoting research culture among the teaching fraternity and students.
- Providing guidelines to constitute the Research Cell, comprising of the Research Advisory Committee (RAC) and Scholars and Student Research Forum (SSRF).
- Research Facilities: The College research facilities are continually updated with state-of-the-art infrastructure and equipments, and software through the intra-mural grants (Vivekanandha Seed Money Scheme) and extramural research projects.

The College provides funding assistance for research, creating new facilities, travel grants for presenting project proposals at the national level, attending overseas conferences, filing patent/copyright, and organizing seminars/workshops/conferences.

The SSRF encourages students in society-oriented and solution-seeking research activities culminating in projects and participation in intercollegiate events, Seminars, Symposia, and Conferences.

Implementation:

- Student research projects are mandatory in every PG program.
- The campus is Wi-Fi enabled, and research scholars access e-resources through the internet in the library.
- The College adopts the parental University (Periyar University) research portal for admitting the research scholars and evaluation to ensure transparency.
- Faculty members, Scholars, and Students are motivated to present their papers in Seminar/Conference/Symposia.
- The Management Committee honors the faculty members who have published articles in UGC recognized journals.

3.3 - Innovation Ecosystem

3.3.1 - Institution has created an ecosystem for innovations and creation and transfer of knowledge supported by dedicated centres for research, entrepreneurship, community orientation, incubation, etc.

Innovations through centerfor research:

The institution provides a conducive environment for the staff members and students to carry out research and to bring out their innovative thoughts into actions through its center for Research and Development. The center also facilitates innovative thoughts into action. To cite an example the department of Physics manufactured LED bulbs for sales, the department of Chemistry manufactured Hand sanitizer which are distributed free of cost to the adopted villages, the department of Textile and Fashion Design prepared Cloth bags as an alternate for plastic bags.

Innovations through Entrepreneurial Development Cell and Institution Innovation Council:

EDC of our institution offers various sessions and awareness programmes on Entrepreneurship. It also facilitates Hands-on training to the students in various fields such as Beautician course, Doll making, Organic Soap production, Mushroom cultivation, Vermicomposting and Jewellery making which provides platform for the students to become successful entrepreneurs.

Innovations through Extension Activities:

Innovations through community orientation is accomplished by various activities. UnnatBharat Abhiyan of our institution has adopted 5 villages and House-hold survey has been conducted and uploaded onto the portal. Five more villages have been adopted by our NSS. Distribution of Hand sanitizers prepared by our students, Face masks, Pamphlets about awareness of Covid-19 are exclusive among the extension activities carried out by our students.

3.6 - Extension Activities

3.6.1 - Extension activities carried out in the neighbourhood sensitising students to social issues for their holistic development, and the impact thereof during the year

The main visualization of the institution is to bring awareness and prepare the student community towards social commitment and social issues. As part of this initiative, the institution carried out several service based courses entrenched in the institution curriculum. Ten villages are adopted by our college. The students are pro-actively involved in this program with great societal obligation foremost to the upliftment of the villagers. The commitment by the students helped in their overall development and pushed them towards being socially responsible for society.

NSS unit has actively participated in numerous programs such as Jal Shakthi Abhiyan, ill effects of Open defecation, Abdul Kalams Day, National Unity Day, Flag Day, First Aid training programme, Independence Day, Orientation Programme on Swatchh Bharat Event, Swatchh Bharathi Seva, NSS day celebration, Aids Day, Human Rights Day, Dengue Awareness, National Youth Day, Voters Day, Republic Day, Leprosy Day and Personal Hygiene awareness day.

Students made Nilavembu kudineer & Kabasura kudineer during Dengu & Covid-19 and distributed them in the adopted villages. Extension activity on seed ball distribution was carried out in the villages.

To add crown to the extension activities, our institution has been recognized as Green Institutional Mentor for water and sanitation management.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching-learning, viz., classrooms, laboratories, computing equipments, etc.

The institution is located in a sprawling campus of 10.07 acres and has the best Infrastructure within the campus and has the following facilities: The college has 156 classrooms and 22 laboratories. All are Wi-Fi enabled. 80 class rooms are provided with LCD Projectors, four class rooms are provided with Interactive Boards and 15 Wi-Fi access points are available. Four Seminar Halls with Computers, LCD projectors are available. Exclusive Learning Management System facility is installed. 11 Science and 11 Computer laboratories with high-end equipments are available. Language Laboratory with 56 computer systems is available to enhance students' communication skills. High-end Instruments are available in the Centralised Instrumentation Facility to promote fundamental research in the concerned fields. A Total of 1052 Computers are provided for students to develop their skill sets. Free internet service is provided to the staff and students.

Generators with total capacity of 250 KVA power guarantee uninterrupted power supply. A Museum with diverse collection of zoological specimens is available. A Botanical garden helps students gain practical knowledge on the cultivation of medicinal and flowering plants. RO water plant, ATM, Bank, Cafeteria, Hostel, Departmental store, Xerox centers and a beauty parlour are also available.

4.1.2 - The institution has adequate facilities for cultural activities, yoga, sports and games (indoor and outdoor) including gymnasium, yoga centre, auditorium etc.)

The institution has adequate facilities for the conduct of cultural and sports activities. Department level cultural programs are arranged in the seminar halls which are equipped with audio video facilities while the college level programs are conducted in the state-of-Art Vivekanandha A/C Auditorium with well-equipped ICT Tools. The college has a well-furnished gymnasium that ensures the physical fitness of students and staff. Yoga and Meditation are mandated activities for the first-year students under the Student Induction Programme. The Centre for Yoga and Value Education helps students stay physically and mentally fit. The students are trained by Yoga experts from the Manavalakalai Mantrum Trust, Namakkal. The institution provides Mats and cushions for meditation. A total of 100 students can be accommodated at a time.

The college is committed to the physical and mental well-being of students and the Physical Education Department coordinates various sports activities of the institution. The institute excels in Sports and Games and represents Periyar University in All India Inter-University tournaments and South Zone Inter University tournaments in Kabaddi, Foot-Ball, Volleyball, Yoga and Power Lifting. The College has a spacious playground which includes various courts for sports and games provided with floodlight facility.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

The Library of the college is fully automated with Open access for all with AUTOLIB V21. Intranet - OPAC can be viewed both within and outside the campus. OPAC provides all details about the Books, Question Banks, CDs, journals and other facilities available. The Digital Library gives access to major e-resources such as N-List. A Scanner, documents the entry of the users at the library entrance. The Library has access to e-Journals and e-Books on various disciplines and National and International Journals. There

is a vast collection of General Books in the reference section. Apart from the central library, the department libraries provide immediate reference and easy access at the departmental levels. The following are the details of learning resources at the main library.

Books 73715

4.3 - IT Infrastructure

4.3.1 - Institution has an IT policy covering Wi-Fi, cyber security, etc. and has allocated budget for updating its IT facilities

The institution has an approved IT policy. The IT policy is displayed on the Institutional website. Specific guidelines are given for the use of computational facilities. Firewalls are also provided. Cyber security norms are duly followed. The institution, being a women's institution, takes extra care to ensure that computational facilities are not misused. User names and passwords are created for all the users. Wi-fi facilities are available in the campus. Internet connectivity with a bandwidth of 100 Mbps is provided. Intranet connectivity is provided to all campus buildings via 32 Kbps fiber optical cable. Antivirus 'K7' is installed for campus network security, with IP NAT, DMZ, port blocking, and content filtering features. Hot-Spot (TACITINE) software is installed to manage user registration, IP assignment, login, and time limits and bandwidth. The entire institute is under 24 hours surveillance by 84 CCTV cameras.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities – classrooms, laboratory, library, sports complex, computers, etc.

The college has created an excellent academic ambience. It takes care to provide the state of the art facilities. A separate maintenance department is established to look after the maintenance of physical facilities. Well laid out procedures are available for maintenance work. The Head of the Department is responsible for the maintenance of the facilities under the department. For each laboratory, laboratory incharges are appointed. Maintenance of physical facilities is given priority. The campus is maintained neat and tidy which fetched the institution the prestigious Swachhta Ranking. Library is maintained by the Librarian. There is al library committee which processes all the requirements. Similarly, the Physical Director arranges to maintain all sports facilities. A separate mechanism is available for the maintenance of computational facilities. Hostels are maintained by the wardens and the personnel are deployed for the same. The college has 70 buses and these buses are maintained by the transport maintenance section of the college. Periodical maintenance work related to basic facilities like toilet, water supply, power supply etc., are done by campus maintenance and housekeeping sections.

5.3.2 - Presence of an active Student Council and representation of students in academic and administrative bodies/committees of the institution

The college has a vibrant Students' Council encompassing student associations at the department level for which office bearers are elected every year. Elections are held democratically in conformity with the guidelines and procedures as laid down by the college authorities. The elected body has a President, Vice

President, Secretary, Joint-Secretary, and representatives of each class. Student representatives are also appointed for sports, cultural and all extension activities.

All student representatives receive training on Organization culture, Team-building and Leadership Skills soon after the students' council election. Office bearers and class representatives are entrusted with organizing events/celebrations like Viveka Fest, Inter-departmental sports competitions, Teachers' Day, Fresher's Day, Inter-religious festivals viz. Christmas, Ramzan, Diwali and Pongal, International Yoga Day, Flash Mob performance. Students' Council organizes different camps for all the students to procure Government documents such as passports, Aadhaar cards and driving licenses. The council also organizes awareness rallies on issues of national and social importance. The council also arranges for free eye checkups and blood donation camps. The office bearers of the students' council play a vital role in the college's various administrative and academic bodies.

5.4 - Alumni Engagement

5.4.1 - The Alumni Association and its Chapters (registered and functional) contribute significantly to the development of the institution through financial and other support services

The college has a registered alumnae association, VICAS Alumnae Association (VAA) and has more than 3000 members.

- The association plays a vital role in student support and progression.
- The Association has supported many noble causes of the college. The illustrious alumnae contribute to the curriculum by acting as Alumnae representatives in the Board of Studies committee. They put forward their recommendations in the Board of Studies meeting to incorporate recent trends and demands of the industrial sectors in each course.
- The Alumnae who are working as HRs and working in industrial sectors are often invited to address the students to encourage and motivate them. They also provide feedback on the students about their communicative skills and their interpersonal skills so that the students can improve and enhance their skill sets. The alumnae also support the college in the extension activities.
- Meritorious Alumnae are also invited as resource persons for seminars and conferences organized by the institution.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the Institution

The institution's governance is structured and aligned with the vision and mission of the Institution. An enabling strategy is built into the structure to ensure the attainment of the institution's objectives and goals. The motto of the governance system is "To empower women by imparting Quality Education, Skill Development and Value Based Education and to make them self-

reliant, competent and socially responsible."The governance of the institution is driven by well-defined policies on administration, admission, teaching learning, evaluation systems and research. The Governing Body is the essential decision-making body for which the Chairman & Secretary of Angammal Educational Trust is the President. The other members of the council are the Executive Director, Chief Executive, Director- Academic Affairs, Principal, Vice Principal, and Nominees from UGC, Government and University representatives, and faculty members. The Governing Body meets twice a year to review the policies, strategies, achievements, budget and plans. A transparent mechanism exists in all the activities and decision making processes. The Academic council meeting is held twice a year, chaired by the Principal, which focuses on curriculum design and teaching-learning and evaluation process. The management ensures the presence of senior faculty members in all the committees of the institution. The management encourages the faculty members to participate in decision-making and to offer constructive suggestions wherever needed.

File Description	Documents
Upload any additional information	View File
Paste link for additional Information	https://vicas.org/abt_vision.php

6.1.2 - Effective leadership is reflected in various institutional practices such as decentralization and participative management

The college practices decentralized participatory governance. For carrying out various activities and to make decisions, a transparent mechanism exists. Principal is the executive authority responsible for running the college as per the statutory regulations. The college authorities have constituted the following committees to practice effective decentralized participatory governance. Admission committee, Calendar committee, Time table committee, CBCS committee, Hostel committee, Disciplinary committee, Extra-curricular activities committee, Extension committee and Exam committee etc., Faculty members, Heads of the Departments are the members of these committees. In this way, a bottom up decision making process is ensured. Some of the Committees and Cells like IQAC have students and Alumnae members also. The deliberations/recommendations of the committees are carefully analyzed and appropriate actions are initiated in a time bound manner.

The students have felt the need to get trained and enhance their employability potential. Based on requests made by the students through the Heads of the Departments, a faculty meeting was conducted and decided to recommend the authorities to create a Centre for Professional Studies.

Upload strategic plan and deployment documents on the website	View File
Upload any additional information	View File
Paste link for additional Information	https://vicas.org/Strategic.php

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ Perspective plan has been clearly articulated and implemented

The college has been meticulously planning to move ahead and make a mark in the educational map of India. Planning is generally done by taking the views of stake holders and assessing the National and International scenario.

Based on short term and long-term goals, the college has come up with a perspective plan which is allowed by the management. Keeping the goal of empowerment of rural women, depending on the urgency, need and viability of personals, Management takes judicious decision.

Being an Autonomous institution, college offers 28 UG Programmes and 14 PG Programmes as per the governance of Governing Body to bring best outcomes with the commitment of designing a well-crafted and comprehensive curriculum with objectives.

The Governing Body of Institute suggested initiation of Economic study in 2021 during 11th Governing body meeting. B.A. Economics was established in the academic year 2021-22 to inculcate Economic concepts. Thus, a multidisciplinary mileage is created in the campus which is in tune with National Educational Policy. The institute, taking a due from government's initiatives marches ahead to build an all-round evolution of women.

6.2.2 - The functioning of the various institutional bodies is effective and efficient as visible from the policies, administrative set-up, appointment and service rules, procedures, etc.

The Chairman and Secretary & The Governing Body reviews the overall functions, proposes new academic initiatives, explores networking, and suggests various campus developmental activities in the college.

The Executive Director directs and evaluates the academic plans and maintains the best outcome of the Teaching-learning process strengthening research activities.

The Chief Executive coordinates the infrastructural development and facilities.

The Principal, Vice Principal, Heads of the Departments and other faculty members are appointed by the Governing body. The Principal is the Executive authority responsible for running the college as per the statutory regulations.

The Principal is also the Chairperson of the Academic Council. He manages all college activities through regular, scheduled meetings with the Vice-Principal, Controllers of Examinations, Heads of the Departments, IQAC coordinator, Coordinators of various cells and committees. All Statutory Bodies give suggestions for effective implementation of the curriculum and address all academic challenges. The Controller of Examinations is incharge of Examinations and ensures adherence to the academic calendar conducting internal and External Examinations and declaration of results. The faculty members take initiatives to plan, schedule, organize, coordinate, and monitor class level management (CLM) and hands-on training for the students and also engage in research to update their insights.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non-teaching staff and avenues for their career development/ progression

The institution takes care of the teaching and non-teaching staff well and extends a number of welfare measures to them. Some of the effective welfare measures are given below:

- Seed money for the research
- Incentive for performance in research
- Special leave for completion of Ph.D.
- Advanced training for professional development
- Financial support for attending academic programs
- Medical facility
- Free transportation
- Free food and Free accommodation for staff

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly

The college ensures optimal utilization of physical and financial resources. The allocation and expenditure are made by a transparent, well-established process. The income and expenditures are audited by both internal and external auditing committees that conduct periodical financial and functional audits.

The Office superintendent and Principal scrutinize all financial accounts related to receipts and distribution of funds under different heads of income and expenditure. The college office has a dedicated account section for dealing with the financial matters. Fee from the students / University Funds / Grants from Government / UGC Grant are handled separately.

The finance officer scrutinizes all receipts, vouchers, and utilization certificates before sending them to the External Auditor. The financial statements are prepared by the Office Superintendent and are audited by the external audit annually. All departments have separate bank accounts, and the Principal monitors them. The departments propose a budget for departmental activities to the management for approval. The need-based allocation of funds is made by the Management. The expenditure is made as per the institution's finance procedures. The income and expenditure statement is scrutinized before submission to the management for approval.

6.4.3 - Institutional strategies for mobilisation of funds and the optimal utilisation of resources

Being a self-financial institution, annual tuition fee collected from the student serves as the major source of revenue. For conducting research activities, the faculty members are encouraged to submit research proposals to funding agencies. Grants have been obtained from UGC, ICSSR, TNSCST, DBT, etc., for carrying out specific outreach activities through the funding projects.

The college takes every care to ensure that financial and physical resources are utilized optimally. A detailed planning exercise is undertaken and need based fund allocation is made. Care is taken to ensure that funds are utilized for purposes for which they are sanctioned.

With regard to physical resources, optimal utilization of resources is ensured by the HODs, Vice-Principal and the Principal. Available physical facilities are allocated to different departments based on the need and urgency.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing quality assurance strategies and processes visible in terms of incremental improvements made during the preceding year with regard to quality (in case of the First Cycle): Incremental improvements made during the preceding year with regard to quality and post-accreditation quality initiatives (Second and subsequent cycles)

The IQAC of the college concentrates on strengthening the Industry Academia collaborations with National and International Universities and organizations by signing MoUs. 71 functional MoUs have been signed during the assessment period.

The benchmark of IQAC after the second cycle of accreditation is the introduction of an exclusive Learning Management System facilitating the teaching, learning process especially during the pandemic. The students are provided with individual login credentials in Learning Management System to access the course contents of faculty members round the clock.

The continuous intervention by IQAC has enhanced the number of Academic programmes offered, number of teaching faculty recruited, number of Ph.Ds awarded, number of research publications, number of extension programmes, impact of extension programmes, updation of research facilities, enhancement in faculty welfare measures, student performance, etc.

A centralized Library is established with a well-stacked array of books and journals as suggested by the earlier NAAC Peer team. The library is fully automated with AutoLIB V21 which facilitates the students' remote access of e- books and e- journals.

6.5.2 - The institution reviews its teaching-learning process, structures and methodologies of operation and learning outcomes at periodic intervals through its IQAC as per norms

1. Feedback Mechanism: The practice of student's feedback plays a significant role in ensuring quality of teaching and learning outcome. Feedback on curriculum is collected and analyzed by the IQAC. Curriculum feedback focuses on quality of teaching and learning process. Objective of the feedback is to understand the influence of curriculum on the holistic development of the students. The feedback is collected in online mode from the students through UGC prescribed questionnaire format.

2. Staff self-appraisal system: The prime objective of the teaching staff appraisal system in our institution is to maintain

high quality educational outcome. Our institution has put in place a well-designed convenient 'self-appraisal system' for our faculty members. The process focuses on the professional growth and development of each faculty member in the area of academic and research.

All the faculty members are required to submit their self-appraisal report annually on the basis of parameters such as teaching hours, number of subjects taught, research papers/articles/books published, conferences attended, papers presented in the conferences, new curricula designed/developed, participation in extra-curricular / co-curricular activities, extra responsibilities assigned by our college, and other extension activities made for the society.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Gender Equity in Curriculum: Each department organizes events that reinforce the institution's unique vision and mission to provide education to empower rural women. Most of the programmes offer women centric courses in the curriculum. Gender Sensitization and awareness are created among the students through guest lectures, invited talks, debates, essay writing and many more.

Gender Equity Through Extension Activities: Throughout the year, the Centre for Women's Empowerment and Gender Equality promote gender equity by hosting several gender sensitizing programs such as lectures, seminars, symposia, international and national conferences and workshops, all of which help to provide an intersectional approach in raising awareness among students about the inequalities that both the gender face.

The institution has gender sensitization committees such as Women Development Cell (WDC), Anti Ragging Committee, Students Grievance Redressal Committee and Internal Complaints Committee, which are constituted as per norms laid by the UGC and the parent university (Periyar University, Salem).

Other Facilities Within the Campus: The college provides a total of 70 Buses with GPS Tracking Facility to ensure free transportation and safety for all the students and employees. A total of 84 CCTV cameras are installed in different blocks within the premises to ensure safety and security.

7.1.3 - Describe the facilities in the institution for the management of the following types of degradable and non-degradable waste (within a maximum of 200 words)

Solid wastes are collected from hostel, office and college premises every day by housekeeping staff members and are segregated into biodegradable and non-biodegradable waste in separate garbage bins and are disposed of accordingly as per the guidelines.

Dry wastes such as papers and plastics are segregated and are sent to recycling centers. Waste collection is done through twin bin system.

The institution's liquid waste management system collects the sludge and sewage from various collection points and segregates the solid particles such as vegetable peels, adhering soil particles, and other dust separately.

Water from the kitchen, washbasin, bathrooms of the hostel is sent to the Sewage Treatment Plant for the recycling process. Further, the recycled water is used for gardens, landscaping, and vegetation keeping the campus green at all times.

Biomedical wastes are appropriately collected in separate garbage bins as per the guidelines and are disposed of without any hazardous effects.

An MoU is exclusively signed with Leela Traders, Chennai for the disposal of e-waste of the institution. The MoU clearly mentions that the E-Waste will be disposed of as per prevailing norms without harming the environment. The computers and the accessories are mostly purchased under buy back scheme.

7.2 - Best Practices

7.2.1 - Provide the weblink on the Institutional website regarding the Best practices as per the prescribed format of NAAC

Empowerment through skill development:

The Practice:The departments on the basis of the feedback obtained from the stakeholders and based on opinion obtained from the experts, decide on the nature of the skill development courses to be offered. With the approval of the management, the course content is decided by the faculty members of the development and approved by BOS.

Free Transportation unit with GPS Tracking facility to ensure safety:

The Practice: The provision of free transport to all students is one of the institution's practices to help the college attain its motto. Connectivity, the primary issue in rural areas, discourages women students and their parents from thinking twice before admitting into the institutions. Worried over the safety of the girl students, parents dissuade their wards not to opt for higher studies. The management has mightily addressed these twin issues by operating 70 buses to remote locations of rural areas not only in the Namakkal District and in neighboring districts at free of cost.

The hostellers are also utilize the facility to reach their homes during vacations/festival holidays, reducing the anxiety of the parents. Similar arrangements help the students to return to their hostels after holidays/vacations.

7.3 - Institutional Distinctiveness

7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)

"TRANSFORMATION OF RURAL WOMEN STUDENTS"

The institution was started in 1995 and has blossomed into a big group consisting of 27 institutions, all focusing on rural women empowerment through education. In recognition of the achievements of the college in all three dimensions of education viz., teaching, research, and extension, the college was crowned with the autonomous state in 2010. The college, as of now, offers 28 UG programmes, 14 PG programmes and Ph.D. programme in 11 disciplines.

Many women graduating at Vivekanandha are first-generation literates. Their family economy is poor, and they earn through hard labor. Vivekanandha extends its support through various in-house and government scholarships to the poor and meritorious students. Before admission, students undergo a knowledge test - 'Arivu Thiran' where the meritorious students enjoy scholarships

during their entire education at Vivekanandha.

To overcome transportation problems and ensure safety, the college has introduced a free transportation system, a unique feature of the institution. Altogether a fleet of 70 heavy vehicles deployed to pick and drop off the students even at their doorsteps covering seven districts prepares the parent to gain confidence in sending their wards to higher education at this Institution.

7.3.2 - Plan of action for the next academic year

The following are the plan of action the next academic year, 2022-23.

To apply for ARIIA Ranking.

To conduct Green Audit, Energy Audit, & Environmental Audits

To introduce new trending and need based certificate courses to make the students employment ready.

To enrich research culture by applying for more number of research grants, to publish more research articles and books.

To apply for patents for innovative ideas and novel products. To develop new MoUs to facilitate Industry-Academia relationship.
