DEPARTMENT OF TAMIL

STUDENTS FEEDBACK

INTRODUCTION

The data on feedback analysis are analyzed. Considering suggestions of alumni, students, staff members, parents and industrial experts, actions were implemented for incorporation of changes in the curriculum. Feedback received from the professors and students was discussed and analyzed. It was found that the curriculum was adequate, however few professors suggested about inclusion of recent trends in language and literature and the necessity of employable opportunity in addition to literature. Study materials can provide through Google Classroom, online class through Google Meet and Power Point Presentation in the curriculum. Few faculty suggested need for horizontal integration of few subjects: UG – Tamilaga Varalarum Panpaadam, Grammar and Usage, PG – Sidhar Illakiyangal, Kongu Nattiyal, Penniyamum Tamil Padaippugalum.

S.No	Curriculum Evaluation by student	Responses in %

STUDENTS FEEDBACK

INTRODUCTION

Curriculum overview is an explosive survey done by every student. The data on feedback analysis is analyzed and their suggestions are considered and actions were implemented for incorporation of changes in the curriculum. Feedback provided during formative assessment guides students to close the gap between their current and desired performance and enhances their learning and satisfaction. To get positive impact of feedback, it should be effective and timely. We have collected a feedback form from our UG English and PG English students. The questionnaires' consist of five questions related to curriculum design, Library, Laboratory availability and teaching methodologies.

S.No	Curriculum Evaluation by student	Responses in %				
		Strongly Agree	Agree	Average	Disagree	Strongly disagree
1	Curriculum Aspect	80	12	6	2	0
2	Teacher and Students interactions	85	12	3	0	0
3	Library and Laboratory facilities	88	10	2	0	0
4	Teaching methodology/ICT facilities	65	20	10	5	0
5	Extension activities	65	28	7	0	0
6	Curriculum design to acquire placement aspects	64	32	4	0	0

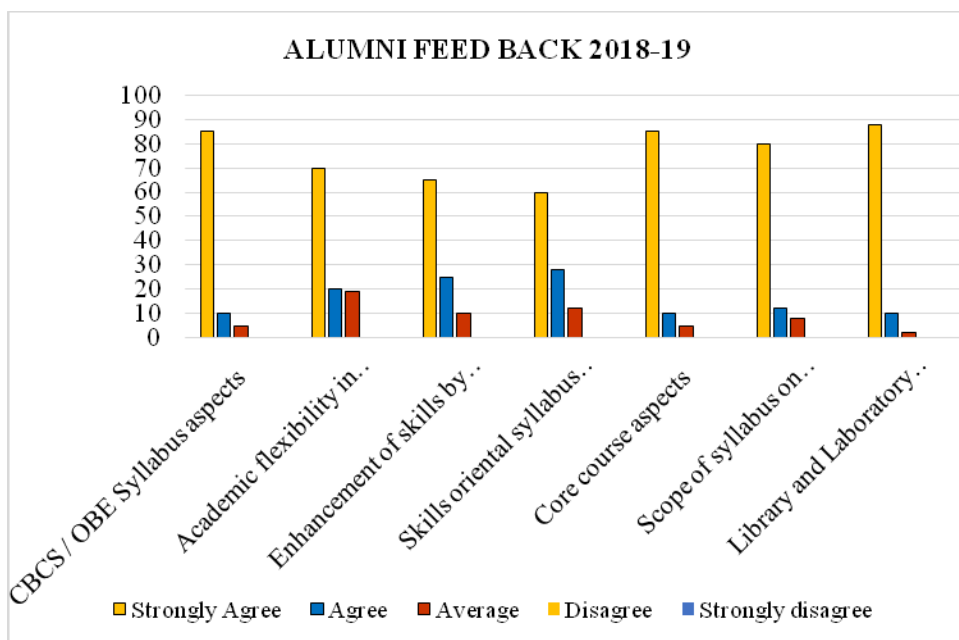

ACTION TAKEN REPORT

YEAR	STAKEHOLDER	ACTION TAKEN
2018-19	Computer Skill with the help of Language laboratory and Online Job Oriented Courses were requested	Centralized Placement Training was conducted and students were participated. Many students registered for trainings in MNCs.

ALUMNI FEEDBACK

To evaluate the academic programs, alumni feedback forms were collected from the alumni of the department. This will improve the curriculum design for the recent scenarios. We have received alumni feedback on syllabus and its curriculum design. Our alumni were highly satisfied in the course objective and the content was also manageable by the students.

S.No	Evaluation by Alumni	Responses in %

FEEDBACK AND ACTION TAKEN REPORT

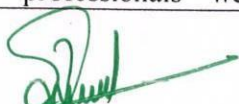

ACADEMIC YEAR 2018-2019

Action Taken Report on Feedback

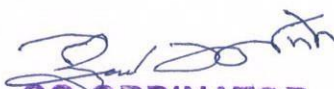

Academic Year	Feedback collected	Action taken
2018-2019	More industry-oriented courses should be added to the curriculum, and students should be encouraged to participate in in-plant training during semester breaks, according to faculty-student interaction.	The OBE pattern is widely used, and it contributes to meeting the industrial demand for education.
	To improve the learning techniques, additional student exchange programmes should be organised.	Many Memorandums of Understanding (MOUs) have been signed, which will be used to improve student exchange programmes.
	To provide more value-added and credential courses, as well as to raise environmental awareness.	To increase the number of value-added and credentialed courses available, the addition of value-added and certificate courses has been approved by BOS.
	Raising awareness about competitive exams	For the benefit of students, the institution provided TNPSC and UPSC courses. Career counselling lectures were given, and appropriate reading materials were added to the Library.
	More ATM facilities needed	On campus, additional ATM vending machines have been installed.
	Pollution of the environment is avoided.	The NSS team has increased the use of battery cars for mobility and planted more trees.
	Faculty should take advantage of communication tools with parents, according to the suggestion.	Faculty frequently contacts parents to update them on their child's extracurricular activities.
	In the core sector, improve campus recruitment.	The hiring process has been expanded to include Core Companies.
	The practical approach to technical	More industry professionals were

challenges must be improved.	brought in as guest lecturers to strengthen the practical aspects of students.
To prepare students for future responsibilities.	Pre-placement seminars were held on a regular basis to inform students about their employment prospects and how to prepare for them, and soft skills training was provided to those who were interested.
Infrastructure Improvements	<ul style="list-style-type: none"> • The Seminar Hall and Auditorium have been completely renovated with cutting-edge technology. • Solar panels are being installed on the rooftops of the college hostel. • The college's restrooms are being renovated.
It is necessary to do a profile analysis of students in order to determine their future employment prospects.	The existing Mentor-Mentee System and Students Counselor System were successfully implemented through one-on-one interaction between students and female faculty.
